

WELL LANE PRIMARY
Sport Premium Tracker 2024-2025

We feel very strongly that achieving in PE is very important.

We expect all children to wear the school PE kit and all of our staff who teach or support in PE lessons wear PE kit too.

Our PE Curriculum:

A wide range of PE is delivered to the pupils, which aims to engage and inspire all pupils. We believe in embedding positive experiences of PE, PA and Sport, by providing opportunities to participate, play and compete in a range of activities. This will enhance pupils' understanding of and ability to lead prolonged active and healthy lifestyles. We are fully committed to ensuring that all pupils receive two hours of high-quality, well-planned PE per week by confident and well-trained staff. We have an up-to-date PE Scheme of work to reflect the requirements of the National Curriculum.

Sustainability:

We aim to use this money to create a sustainable curriculum for all children. Some of the money provided by the funding will be invested in the professional development of staff and as a result, will enhance the quality of teaching for all children. We invite different specialists into our school, who will work alongside staff in a range of sports. Due to their influence and expertise, all teachers will have the chance to develop their teaching of P.E.

Partnership Work / Competitions:

As well as our regular PE lessons we provide a range of lunchtime activities and equipment in order to enhance interest and engagement in sport and PA across the school. We also provide Annual sports days for EYFS, KS1 and KS2 and many pupils participate in a range of sports and PA based competitions and activities.

Participation:

The school is keen to provide a wide range of PE and PA extra-curricular clubs for pupils. These include multi-skills, and breakfast and after-school clubs that include participation in PA. More Able pupils are signposted to local clubs.

Sports Premium Summary Costs:

The aims of our spending are to:

1. Develop fitness and well-being through the participation of high-quality lessons.
2. Provide opportunities for pupils through after-school sports clubs.
3. Develop sporting excellence by providing targeted extra-curricular clubs.
4. Develop sporting excellence through a range of activities to enable children to compete.

This table is to document any money that is spent using the Sports Premium fund. Please track what this money is being used for by tracking the cost and the impact on the pupils in your school.

School receives: £17,730 (£92 remaining)

Area	Product/Service	Cost	Impact (Please include any quantitative data to support the impact)	Sustainability for the future
1	Balance bike workshop	£338	Children will improve their balance and coordination	Children will feel more confident riding a bike. It will improve their gross motor skills.
1	Full of Beans CPD	£8500	Staff will be more confident in delivering lessons.	Enable teachers to feel more confident in delivering high-quality PE lessons, support ALL children through differentiation and adaptation, and assess pupils effectively. Pupils will receive high-quality PE lessons.

	Full of Beans - lunchtime every week carrying out different PA/PE skills	£3000	Children are more active at lunchtime and enjoy the Full of Beans activities.	Children will develop their gross and fine motor skills and specific skill-based techniques required for PE. They will develop their fitness, enjoyment of a range of different sports and life skills such as communication and resilience. Equip Teaching assistants with ideas of how to encourage children to have more meaningful and enjoyable playtime experiences through setting up a variety of play zones. Children are being trained as play leaders to support others to engage more in physical activity.
1	Replenish PE equipment	£2000	Used in PE lessons to engage children with sports and ensure that there is enough equipment for all children to participate, develop and make sufficient progress.	Suitable new equipment to be used within lessons for the foreseeable future to support children's development in gross and fine motor skills and specific skill-based techniques required for each unit of PE. They will also become more proficient whilst learning the key rules and regulations in sports which they can continue to play into their teenage years. Appropriate equipment enhances the children's learning during their PE lessons.
4	Replenish Active Playtime equipment	£1000	Used to replenish and enhance break and lunch active play. Children to have equipment to encourage active play, teamwork, and boost daily fitness through activity. This will encourage children to keep active	Learning how to play effectively with playground equipment will help children engage positively and collaboratively during their free time. They will learn vital skills such as compromise and resilience. This in turn can help them with social issues in the future.

			and engaged during playtimes and have positive playtime experiences. This enables children to practise and embed skills learnt during PE lessons.	
3	Equipment for after school clubs	£500	Offering a broader range of clubs in response to pupil voice.	Learning how to play effectively with a variety of equipment will help children engage positively and collaboratively with others. They will learn vital skills such as; compromise and resilience. This in turn can help them with social issues in the future.
4	Transport for school PE competitions and festivals	£1000	Taxi and coach hire to transport groups of children to compete against other schools in sporting events	Children engaging in competitive sporting events which encourages higher standards of achievement, physical activity, discipline, teamwork and sportsmanship.
4	A range of sports workshops - different sports than offered at school	£1300	A sports coach has led a range of sports workshops (different to those inside PE lessons.)	Children engaging in sports delivered by experienced coaches and professional athletes can be inspired to engage in a variety of sporting activities inside and outside of school life. Thus enhancing and developing a love of physical activity.
