

WELL LANE PRIMARY - Sport Premium Tracker 2023-2024

We feel very strongly that achieving in PE is very important.

We expect all children to wear the school PE kit and all of our staff who teach or support in PE lessons wear PE kit too.

Our PE Curriculum:

A wide range of PE is delivered to the pupils, which aims to engage and inspire all pupils. We believe in embedding positive experiences of PE, PA and Sport through providing opportunities to take part, play and compete in a range of activities. This will enhance pupil understanding of and ability to lead prolonged active and healthy lifestyles. We are fully committed to ensuring that all pupils receive two hours of high-quality, well-planned PE per week by confident and well-trained staff. We have an up-to-date PE Scheme of work to reflect the requirements of the National Curriculum.

Sustainability:

We aim to use this money to create a sustainable curriculum for all children. Some of the money provided by the funding will be invested in the professional development of staff and as a result will enhance the quality of teaching for all children. We invite different specialists into our school, who will work alongside staff in a range of sports. Due to their influence and expertise, all teachers will have the chance to develop their teaching of P.E.

Partnership Work / Competitions:

As well as our regular PE lessons we provide a range of lunch time activities and equipment in order to enhance interest and engagement in sport and PA across the school. We also provide Annual sports-days for EYFS, KS1 and KS2 and many pupils participate in a range of sport and PA based competitions and activities.

Participation:

The school is keen to provide a wide range of PE and PA extra-curricular clubs for pupils. These include athletics, dance, dodgeball, football, ball skills and breakfast clubs that include participation in PA. More Able pupils are signposted to local clubs.

Sports Premium Summary Costs:

The aims of our spending are to:

1. Develop fitness and well-being through the participation of high quality lessons.
2. Provide opportunities for pupils through after school sports clubs.
3. Develop sporting excellence by providing targeted extra-curricular clubs.
4. Develop sporting excellence through a range of activities to enable children to compete.

This table is to document any money that is spent using the Sports Premium fund. Please track what this money is being used for by tracking the cost and the impact on the pupils in your school.

School receives: £17,829

Area	Product/Service	Cost	Impact (Please include any quantitative data to support the impact)	Sustainability for the future
	Swimming - 1 week of catch up	£1345	Developing essential survival swimming skills and helping children to achieve the target of swimming 25m. 63% of Y6 pupils can swim 25m	These lessons will be vital to all children to use for the rest of their lives.
	Swimming CPD - Level 1 instructor training and supply cover for staff member who attended	£329	More staff confident and competent in instructing children how to swim	Staff who are trained instructors can discuss best practise and are more confident and competent in instructing children how to swim. This will hopefully mean an increase in the number of

				children who can swim by the end of Y6. There will be more flexibility over staff who can leave school premises to take children swimming.
	Full of Beans - lunchtime every week carrying out different PA/PE skills	£6,455 (total cost £14,040)	Children are more active at lunchtimes and enjoy the Full of Beans activities.	Children will develop their gross and fine motor skills and specific skill-based techniques required for PE. They will develop their fitness, enjoyment of a range of different sports and life skills such as communication and resilience.
	Replenish PE equipment	£1000	Used in PE lessons to engage children with sports and ensure that there is enough equipment for all children to participate, develop and make sufficient progress.	A whole class pack can be used within lessons for the foreseeable future and to enable all pupils to engage in the lessons and reduce wait time. Suitable new equipment to be used within lessons for the foreseeable future to support children's development in gross and fine motor skills and specific skill-based techniques required for each unit of PE. They will also become more proficient whilst learning the key rules and regulations in sports which they can continue to play into their teenage years. Appropriate equipment enhances the children's learning during their PE lessons.
	Replenish Active Playtime equipment	£1000	Used to replenish and enhance break and lunch active play. Children to have equipment to encourage active play, teamwork, and boost daily fitness through activity. This will encourage children	Learning how to play effectively with playground equipment will help children engage positively and collaboratively during their free time. They will learn vital skills such as: compromise and resilience. This in turn can help them

			to keep active and engaged during play times and have positive playtime experiences. This enables children to practise and embed skills learnt during PE lessons.	with social issues in the future.
	Playground equipment installed	£5000	Children are more active at lunchtimes.	Children participate more with PA. Suitable new equipment supports children's development of gross motor skills and fitness levels.
	EdSential PlayMaker training - Four sessions with 15 Y5 pupils	£600	Children are more active at lunchtimes. PlayMakers are more confident in helping others to be more active at playtimes.	Children are more active and enjoy playtimes more. Trained PlayMakers feel more confident leading others in PA.
	EdSential competitions - variety entered in the academic year	£300	Children are able to participate in a range of competitions that they may not otherwise be able to access.	Children engaging in competitive sporting events encourages higher standards of achievement, physical activity, discipline, teamwork and sportsmanship.
	Create Dance - 12 after school club sessions and performance at Floral Pavilion	£475	Children are able to participate in a dance festival and have the opportunity to perform on a larger stage.	Children engaging in this festival encourages higher standards of achievement, physical activity, discipline, teamwork and sportsmanship.
	Transport for school PE competitions and festivals	£725	Taxi and minibus hire to transport groups of children to compete against other schools in sporting events	Children engaging in competitive sporting events encourages higher standards of achievement, physical activity, discipline, teamwork and sportsmanship.
