

## Welcome to our new families:

Welcome back to summer term! A special welcome to all our new families who have secured places in Reception class 2026. We can't wait to have you on board. We still have a few places left, so spread the word if you know of local families without a school place for September.

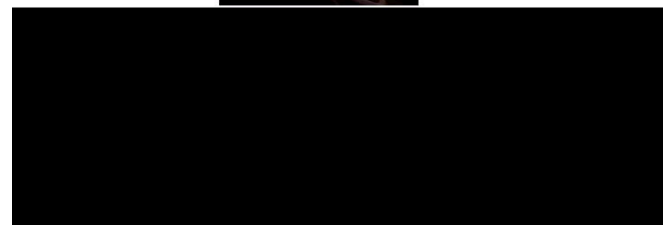

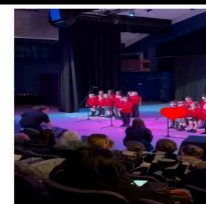

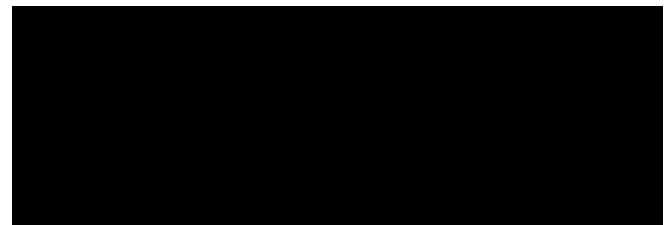

## Rainbow Choir

## Competition

Before Easter we competed in the Rainbow Trust Choir Competition and are proud to announce that despite fierce competition, we came 2<sup>nd</sup>! Well done to our Well Lane Choir and Mrs Gibson Phillips for all your hard work. Click on the video to watch our performance.

# Parent feedback: You said, we did

In a recent parent survey, you said you liked all the enrichment activities (clubs, trips etc) but would like more. We are excited to announce that we have lots of exciting events and trips booked in for summer term. Here are some highlights:

## Rock Kidz

Rock Kidz on Tour gives Primary Schools all over the UK the opportunity to raise the profile of well-being and PSHE in their community through the power of music. The day will consist of rock music workshops and whole school Rock Event 'After Party'. This is booked for June. See the link for a taster: <https://www.rockkidzuk.com/ontour>

## Quidditch

We have an exciting interactive sporting event 'Quidditch' planned for June with our PE provider, SY4C. The children will be grouped into 'houses' from Harry Potter then compete in a game of 'Quidditch' against each other. This is sure to be a fantastic day for everyone.

## Class trips

This term we have planned a trip for each year group and Y6 pupils are going on an overnight residential to the Anderton Centre! All trips link with and enhance the curriculum as well as provide new experiences. Look out for letters with more information once all details are finalised. All payments will be made on parent pay and we are trialling consent on there too. We aim to give as much notice to make trips affordable but we rely on parental contributions to make trips viable.
