

Community Cuppa:

This week we spent time engaging with the local community in an event at the Rock Ferry shops. We met lots of people who live and work in our community and asked them what they liked about it. We also promoted our school and told people about our wonderful children and families and the work that we do at Well Lane. Please read the positive comments below.

A big HEART in the Rock Ferry community.
Great spirit & energy.
Commitment to their pupils and families.

Pastoral - great!
School has turned a corner.
As it is coming up, one of the best schools in the area.

I don't live here but have always found everyone in the community helpful and friendly.

Friendly people
Friendly community

Rock Ferry has an electric community and Well Lane is situated conveniently in the heart of this busy area. I have had three sons come through the school and after 11 years of coming to and from the school, I can happily recommend the supportive school to anybody.

Registration for 11+ Exam

Registration is now open for children who wish to apply for a non-Catholic grammar school place in Wirral for entry in September 2027. Registration must be completed by 1 June 2026. Children who are due to start secondary school in September 2027 can register to sit the assessment from 1 May 2026. The assessment is required for entry to Wirral's non-Catholic grammar schools.

The assessment provider has changed from GL Assessment to Quest Assessments. The assessment consists of two papers taken on the same day and will test verbal reasoning, non-verbal reasoning and mathematics. The assessment will take place on Tuesday 15 September 2026 at a test venue. Families will be informed of the allocated venue by the end of August 2026.

Support is available for children who are eligible for free school meals. Additional online learning resources are available for pupils in Years 3 to 6 to help prepare for the assessment. These resources are provided through a partnership between the Wirral Consortium of non-Catholic grammar schools and Atom Learning. Eligible families can request a free Atom Learning account.

Further information and registration details are available on the Wirral Council website.

WELL LANE
PRIMARY SCHOOL

EVERY DAY COUNTS

The Power of School Attendance

Did you know?

Having 90% or below attendance for 5 school years is the equivalent of half a whole academic year missed, missing learning opportunities.

What your attendance percentage means

0 Days Absent (190 days in school) = 100% Attendance

10 Days Absent (180 Days in School) = 95% Attendance

19 Days Absent (171 days in school) = 90% attendance

29 days absent (161 days in school) = 85% attendance

38 days absent (152 days in school) = 80% attendance

47 Days Absent (143 days in school) = 75% Attendance

Please book your holidays and family days during the 175 Non school days
